

## **NOTES ON TOOWONG COMPETITION EVENTS**

- For two-session pairs events, only two players can nominate to enter the event. There may be one substitute per pair for one session at the discretion of the Director with those who play eligible for session masterpoints. However, neither the nominated entrants nor the substitute is awarded masterpoints in the overall results.
- For teams competitions, each team may comprise four, five, or six players.
- For teams of more than four members, match awards are allocated based on the matches played by each player but all team members share in any overall awards.
- All Novice events are for players with fewer than 100 masterpoints at the date indicated on the entry form, unless stated otherwise.
- Each player at the events shown in this program must have an approved and current ABF system card, fully filled in.
- In the preparation of this program, provision has been made for 12 spontaneous single-session red point events throughout the year.
